found Eliza Bleu interacting with a then 17 year old dude on Twitter. That guy blocked everyone and started deleting tweets faster than eliza nuking youtube videos.

Oh wow, you were only 17 on this night, she was 32!  
Seems like she made quite the impression on you. How  
wild is it for you to see what she went through that  
summer, supposedly right after you met her!? cc:

It seems NCOSE law is who filed the complaints to Twitter to take down [@TheQuartering](#) and [@BrittanyVenti](#). Maybe someone should file a grievance against them with the BAR association. They can't possibly have done this in good faith.

I figured I have to (sadly) ANNOUNCE this fact, to you all, because for god-knows-how-many days now there's been silence.

Anyway yeah, I hope I'm not smited like the rest.
